Please forward this email to the S of S campaign finance team.

Reviewing the Coloradans for Prosperity filings FOR Prop. CC, I see a donation of \$50,000 on 8/27 from CO Fund for Children and Public Education.

Then I see another donation for \$50,000 from the same entity on 9/6, for an aggregate total of...\$50,000. That is obviously a false report. I hereby complain to the Secretary, who accepted a false report. I believe a fine is due for this false reporting. I urge its imposition.

This illegal filing should be publicized to all major state media outlets.
